

**DRUMTRACKER**<sup>™</sup>  
The Complete Cradle to Grave Solution

**DrumTracker II**<sup>™</sup>

**Portable Data Terminal**

**User's  
Manual**

## USING THE DrumTracker II PDT:

When you start up DrumTracker II you will go to the Main screen:

The screenshot shows a window titled "CSN Main" with a blue header bar. Below the header are two buttons: "IPConfig" and "Info". The main content area contains the following text and elements:

- Welcome to the  
Container Services Network's  
Container Tracking Program
- Please Log in:
- Login Name:
- Password:
- Go
- Exit

Tap on the Login Name box.

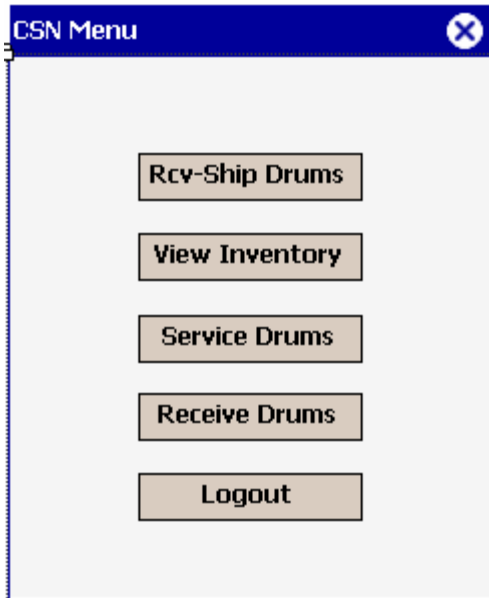

Enter your log in Name (Upper/lower case does NOT matter).

Tap on the Password box.

Enter your Password (Upper and lower case DO matter).

Tap on <Go>

After a few seconds while the databases confirm your identity, you should go to the Menu screen:

This is the main menu screen. Please see the following pages for specifics on each screen.

To go to the RECEIVE / SHIP screen, either tap on the button or scan 

To go to the VIEW INVENTORY screen, either tap on the button or scan 

To go to the SERVICE DRUMS screen, either tap on the button or scan 

To LOG OUT screen, either tap on the Logout button or scan
